Marty Robbins' new single has Marty Robbins' best known sound.

Almost every one of Marty's biggest hits has it: the rugged voice and sensitive delivery of Marty up front, the Spanish-flavored guitar and horns behind.

As soon as it comes on the radio everybody knows it's Marty Robbins.

And as soon as you check this week's country chart, you'll know it's a hit.

David Rogers' new single, "Need You," comes straight out of our National Promotion Manager's oldie collection.

Steve Popovich is Columbia's Director of Promotion. And he either owns, or knows how to get his hands on, nearly every Top-40 record since the mid fifties.

Recently he came across a record called "Need You" that he knew could be a country smash, today. He sent it to Pete Drake in Nashville for his opinion.

And his opinion is this: the new David Rogers single, produced by Pete Drake, himself.

Both Pete and Steve feel that it has what it takes to happen big.

"Need You" by David Rogers. On Columbia Records

DECCA 32918

BRENDA LEE

Waylon Jennings' "Good Hearted Woman." 74-0615
It's already on the singles charts' top ten...and it leads off an album packed with the same kind of power.

LSP-4647; PBS-1886; PK-1886

Songs by Willie Nelson, Kris Kristofferson, Gordon Lightfoot, Tony Joe White—and Waylon Jennings.
In every way, a fine new album by Waylon.

The Kendalls.
Father and daughter who turn pop hits into country hits.

Talk about a together sound, and you talk the Kendalls. Together on the road, writing, and recording. This time, it's the big pop hit, "Two Divided By Love". The Kendalls and Nashville's top musicians get together for a swinging country version. Two united by love can't miss.

"Yellow River" was never so finger-snappin', country-rockin' good!

The Compton Brothers have done it! They've taken the smash pop hit, "Yellow River", and made it even better. Moving it along with real gusto, great singing, and a happy country feeling.

Flood Fails to Dampen Ardor

WHEELING — With the Ohio River cresting 10.6 over flood stage and much of the city under water, the Conway Twitty show performed at the "WWVA Jamboree" here before a crowd of more than 1,000.

"Jamboree" officials called it the first underwater performance in history. The station already had pioneered live in-flight shows on aircraft.

Sandbagging was going on in the streets while the show carried on in the Capitol Music Hall.

If it ain't Connie, it just ain't

When she does a single or an album, her style is so unique that imitations are impossible. Especially when she sings Dallas Frazier songs.

"If It Ain't Love" (Let's Leave It Alone) #74-0752 is a hit single. And it's a new album with Dallas singing along on two of the tunes. And it's Connie Smith.

GARY ALLEN

Once in awhile a record comes along that folks in the business call a "natural hit." We're not yet claiming this one is, but we are willing to concede that it may be, because (A LOT OF FOLKS KEEP TELLING US IT IS).

We do know that Gary Allen is a great new country voice and a prolific writer of good songs. We're not too unhappy about that!

A world-famous worm just popped out of Hank's hit album.

"Glow Worm" is the song that sold millions for the Mills Brothers in the 50's. After a nice snooze, the worm has reappeared, shining brighter than ever.

"Glow Worm" is Hank Thompson's latest single, from the smash hit album, "Cab Driver. A Salute To The Mills Brothers". It's a combination that's shot "Cab Driver" right to the top of the country charts. And "Glow Worm" can only mean that Hank Thompson is spinning another hit.

MEMO

Fellow Programmers:

"Busting out of the blue like Donna Fargo did with her 'Happiest Girl' single, I think Pat Roberts may have a real winner with his first record, 'Rhythm of the Rain.' Discovered by Roy Clark for Dot Records, Pat is a very talented, personable 24-year-old artist from Seattle who seems to have the potential of a future C&W superstar!"

Songwriter Ben Peters and wife, Jackie, are off to Europe for business and pleasure. He's recuperating from recent double surgery (the second to repair the first) and plans to take life easy in his travels. . . . John Bodin of Southern Productions, Nashville, says the first five days of an 18-day tour resulted in turnaway crowds in each city with two shows nightly. The show features Ernest Tubb, the Osborne Brothers, Kenny Price and Leonie Williams. . . . The Porter Wagoner Show came home for taping following sellout shows on a 10-day tour promoted by Abe Hoffman. . . . Del Reeves was the first Nashville act to appear at Valdosta, Georgia's new King of the Road.

Hap Peebles has put the Cates Sisters on tour with Jim Ed Brown. . . . The Lake 'n Park Inn at Palos Hills, Ill., had sellouts two weeks in advance of Blake Edwards appearance. . . . Jamey Ryan Day in Karnes City, Texas, brought a huge turnout. . . . Crystal Gayle in tune to record on Decca. . . . Donny Kershaw of Warner Bros. played 27 consecutive nights before collapsing with exhaustion. After some rest, he's off on another 18-day tour. . . . Loretta Lynn and husband, Mooney, are turning their "town" into a dude ranch. They own the entire village of Hurricane Mills, Tenn. . . . The names of Tommy Overstreet and Jerry Clower will be embedded in the Walkway of Stars at the Country Music Hall of Fame. . . . The Stonemans are about to record for Million Records. . . . Death came to Harmon Boazeman, 41, a coun-

try artist-writer known as Lee Harmon. He reportedly had been despondent lately. . . . David Rogers tells of the devotion of country fans. While in Syracuse, N.Y., his bus broke down. A local disk jockey called a mechanic and that man, Lonzo Clark had heard David sing two years ago. He not only repaired the bus immediately, but charged Rogers nothing for it. . . . Steel guitarist Larry Sumner has joined the Sammy Smith show, and will coordinate all of her personal appearances.

Carla Scarborough, vice president of Shades of Blue Enterprises, has sold her 50% interest in the firm to Ray Griff, making him sole owner. All of Ray's operations will now come under the heading of Ray Griff Enterprises. . . . Nov 11 has been set as Dolly Parton day in Sevierville. It's the biggest event of the year for East Tennessee, and it means more scholarship money for the youngsters there. . . . The first release by Tony Douglas on his newly-founded Cochise label is "Thank You for Touching My Life," and it's getting strong programming in the Southwest. . . . The Eastern States Country Music, Inc. (ESCM) wants it known it has no affiliation with a new organization called Northeast Country Music Association, which is headquartered in New Jersey. . . . Decca's Wayne Kemp is the latest to go firstclass, by bus. It will allow him more time for writing, he says. . . . There is a new Anglin in country music, no kin to the late Jack Anglin. JEALOUS HEART

(MERCURY 73334)

The story of JOHNNY RODRIGUEZ should have been a great TOM T. HALL song . . . but . . . instead is a GREAT TOM T. HALL DISCOVERY. Now . . . more about JOHNNY RODRIGUEZ. . .

One always hears stories about romantic ways that people break into the music business. They're discovered singing on a street corner or in an amateur show and suddenly wisked to stardom. Well, Johnny RODRIGUEZ' story isn't quite as romantic, but it certainly is unique.

Johnny got his start in jail, arrested for "goatnapping" (and barbecuing said goats). It was in Texas earlier this year and Johnny brought along his guitar to jail to keep him company.

"A Texas Ranger heard me playing the guitar and singing while I was in jail and he called Happy Shahan, who was a friend of TOM T. HALL'S," Rodriguez recalls.

A few weeks after that RODRIGUEZ went to Nashville, called HALL, and TOM T. gave him a job fronting his band, playing lead guitar and opening the show by singing a few songs. Since then JOHNNY has sang on the GRAND OLE' ORBY and has now recorded his first single for MERCURY RECORDS, "PASS ME BY (if you're only passing through)" and JEALOUS HEART. On "JEALOUS HEART" Johnny sings half the song in English and half in Spanish.

Rodriguez grew up in Sabin, Texas, a town with a population of 1,800 people about 90 miles from the Mexican border.

Ray Griff, welcome back!

One of Nashville's most creative singer-writers (guitar, piano too) just came back to Dot. Ray Griff. Mr. Country Hit! He's "Patches", "The Morning After Baby Let Me Down", "Step Aside", "Baby", "Canadian Pacific", "You Better Move On". Ray Griff's first Dot single since 1969 is a beauty: "It Rains Just The Same In Missouri". Listen to it. Then listen again, and you'll hear yourself sing right along!

Pat Roberts. He gives the falling rain new rhythm.

It takes Pat Roberts' fresh, young talent to give "Rhythm Of The Rain" its new hit sound. It's Pat's first single for Dot, and it's already hit the charts. Pat was discovered in Seattle by an impressive talent scout: Roy Clark. Roy heard and saw why the Northwest fans were raving, and Pat came South. To Nashville. And a new beginning. Listen. It's the start of something. Big!

COLLECTION

Arts & Charts

The complete Country Music Charts exactly as they appeared in Billboard magazine from 1944 to the present, in high resolution, taken from the celebrated magazine's pages.

From the owner of COUNTRY MUSIC DATABASE® who has one of the largest collections in the world (with records, videos, magazines, books and comics) comes his latest epic project!

More than 70 years of Country Music Charts from the beginning. The volumes are published in random order (like Marvel's beautiful series "The Epic Collection").
